RESPONSE TO QUESTION FROM SHAREHOLDER

The Board of Directors of OKP Holdings Limited (the “**Company**” or “**OKP**”, and together with its subsidiaries, the “**Group**”) refers to the question received from a shareholder ahead of the Company’s Annual General Meeting to be held at 11.00 a.m. on 25 April 2022 by electronic means. The Company wishes to provide its response below.

Question

I noted that OKP has secured a number of PUB projects. How is OKP’s strategy for getting back LTA or other related contracts or OKP has changed the focus?

Company’s response

The Group’s core business and focus has always been in the construction and maintenance business. Backed by over 50 years of track record and strong technical capabilities, the Group remains focused on and committed to capturing new opportunities for our infrastructure and civil engineering business. Moving forward, the Group will continue to strengthen our capabilities in this area in order to maintain our status as a leading civil engineering contractor across various industries. We will continue to tap on the strong demand in the public sector and tender for projects from government agencies.
